

**The Kingdom of Bahrain first globally  
to authorise, receive and administer the**

# **Valneva**

**COVID-19 vaccine**

**Starting 14 April 2022,** eligible individuals who wish to take the **Valneva** COVID-19 vaccine, can head directly to one of the administering health centres without the need for an appointment.

**The Kingdom of Bahrain is the first country globally to authorise, receive, and administer Valneva's COVID-19 vaccine, produced by the European vaccine company, Valneva.**

# Protocols for the Valneva

COVID-19 vaccine

- ✓ For those aged **18 and above**
- ✓ **Two vaccination doses for those who have not been vaccinated yet.** The second dose is to be taken **28 days** after the first dose
- ✓ **Booster shot**  
for those who have received two vaccination doses or more of the following vaccines:

✓ Valneva ✓ Sinopharm ✓ Pfizer-BioNTech ✓ Covishield-AstraZeneca

Eligible individuals can head directly to the health centres previously announced by the Ministry of Health, **without the need for an appointment**
